

COMPETITION TEAM

Welcome to the MTPAS competition team! At MTPAS we love taking our small but effective team to compete all over the country. Our focus is to make an impression and impact with the work we choose to present. This document is to give you an insight into a competition season and the things you can expect when deciding to join us on this journey!

This is our studio specific schedule which has lots of important information. The most important piece of information we can take from this schedule is the day and time we will be competing on. We require all dancers to arrive to the venue 90 minutes before their allotted time to dance this allows time for a proper warm up and practice as well as time to be in correct costuming, hair and make up. We have also experienced competitions running early so it is important we are ready in case the competition is running ahead.

Unless informed otherwise it is good for all performers to arrive to the venue with their makeup and hair done so that the chaperones in attendance can focus on running dances rather than being stylists for the day!
We also recommend that performers stay for as much for the event as possible to support our team and to also be inspired by watching some amazing schools compete at the highest level.

COMPETITION TEAM

Below is an example of our 25/26 competition season and the events we took part in. Whilst we cannot confirm that we will be taking part in the exact same events next year, we wanted to give you this as an example of the rough amount of events we take part in per year.

Competition	Location	Month	Fees
Destination Dance Finals	Warwick University	June 26	No Groups
Starpower	Warwick University	May 26	£35
MK Festival	Milton Keynes	February 26	£5.25
Destination Dance Regionals	Lichfield	January 26	£13
Supreme	Northampton	October 25	£13
Synergy	Hertfordshire	October 25	£10

The fees shown above are a representation of a dancer who is involved in one group dance. When we send out the 26/27 schedule, we will let you know which competitions are for groups only, solos only or for any competition piece.

When it comes to group dances we really appreciate full commitment so that one member of the team does not let down the whole team and leaves us unable to compete.

COMPETITION TEAM

When attending competition, we like our dancers to look smart and presentable at all times. We like our dancers to attend competition in normal black active wear, this can include any MTPAS uniform. We also have competition team jackets which are not a necessity to buy straight away. We will make you aware when we have an opportunity to buy these. In place of these, we ask that students attend in their MTPAS zip up jackets or sweatshirts.

For award ceremonies, competitors should be in these outfits with bare feet. We prefer competitors this way so we all look the same and we look presentable for any photographs taken. Chaperones will always be present to guide dancers on these expectations.

Hopefully this document has helped with any questions you may have when joining the MTPAS competition team. We will always do our best to keep you updated with schedules, events and performances to the best of our abilities.
